| 43: Wed - 1/20/2027 - 3 to 4 pm - Alternate/Make-up | |

Class content will be determined by the needs of those who are attending the class

If you have your own computer/laptop please bring it with you when you come.

It's easier to retain what you learn when using your own computer, plus any tips/shortcuts can be saved to your computer as you learn them.

Bring your questions/problems with you and we will do our best to help you resolve whatever issue you may be having.
